## Personal data that we process

Findest B.V. processes your personal data because you use our services and / or because you provide them yourself. Below you will find an overview of the personal data we process:

- E-mail address
- IP-address
- Data and information about your activities on our website
- Internet browser and device type

## Special and/or personal data that we process

Our website and/or service does not intend to collect data about website visitors under the age of 16. Unless they have parental or guardian permission. However, we cannot check whether a visitor is older than 16. We therefore recommend that parents be involved in the online activities of their children, in order to prevent data about their children from being collected without parental consent. If you are convinced that we have collected personal information about a minor without this permission, please contact us at [privacy@findest.eu](mailto:privacy@findest.eu) and we will delete this information.

## Purpose of data storage

Findest B.V. processes your personal data for the following purposes:

- To offer you the possibility to create an account
- To be able to call or e-mail you if necessary to carry out our services
- Findest B.V. follows your surfing behavior on various websites with which we tailor our products and services to your needs.

## Automated decisions

Findest B.V. does not make decisions based on automated processing/decisions involving matters that can have (significant) consequences for people. These are decisions taken by computer programs or systems, without involving a person (for example, an employee of Findest B.V.).

## Storage terms personal data

Findest B.V. does not store your personal data longer than is strictly necessary to achieve the purposes for which your data is collected. We use a maximum retention period of 5 years of the personal data required to create an account and to be able to use the service. We also use a maximum retention period of 5 years of data which stores the use of the service, after that period the data is anonymized. This data is used to improve the service based on usage.

## Sharing personal data with third parties

Findest B.V. only provides personal data to third parties if this is necessary for the execution of our agreement with you or to comply with a legal obligation.
